

The Leadership Training Center for Man in the Mirror presents

# NO MAN LEFT BEHIND

In 1 ½ days, learn how to disciple every man in your church.

In business we say, "Your system is perfectly designed to produce the results you are getting."

**It's the same in your church**—your discipleship program is perfectly designed to produce the kind of men you have sitting there.

In the **No Man Left Behind Essentials**, we'll show you the principles, practices, and components of a ministry "perfectly designed" to produce changed men, families, churches and communities—not just short-term excitement, but real, long-term change. You will leave with the training, tools, and game plan needed to develop a **plan custom-designed for your church**.

Learn powerful keys to long-term success, such as how to...

- > Create, capture, and sustain momentum among men
- > Move from an isolated "men's ministry" mindset to an **all-inclusive ministry to men**.
- > Provide all types of men with a **credible next step** in their walk
- > **Maximize the effectiveness** of the programs already in place
- > Connect everything you do to **one compelling vision**
- > **Mobilize current leaders** and cultivate new ones

## Who should attend?

The training is designed for leadership teams of pastors, men's leaders, laymen, and potential new leaders.
